PRE-AUDIT INFORMATION

PRE-AUDIT INFORMATION

SMETA Supplier Audit

Intertek conducts on-site SMETA audits at suppliers around the globe to assess how labor, health and safety, environmental and business ethics standards are being met. Sedex members are then allowed to store, share and report on this information in a secure, online database in an effort to improve working conditions in the global supply chain.

Register as Supplier member:
app.sedex.com/register/form/basic

Complete the Sedex Self-Assessment Questionnaire (SAQ)

Submit the Audit Application form and assign Intertek as Affiliate Audit Company (AAC)

Share the SAQ of your site with Intertek and get the pre-audit pack for the audit

Onsite audit process

Intertek completes the SMETA audit report to the Sedex platform, and customers you authorize can view this report via the platform.

Intertek Pre-Audit Pack

The following Intertek documents are shared during the scheduling to assist you with your preparation.
